SnapFrame

Molduras de imagem trocável

Porquê montar, plastificar e emoldurar quando pode utilizar SnapFrame?

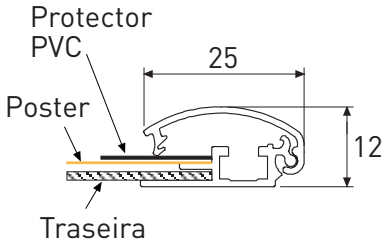

Simplesmente abra a moldura e troque o poster.

-Frontal protector PVC anti-reflector(evita o plastificado)
-Traseira rígida (evita a montagem)
-Entregam-se totalmente terminados e com parafusos para fixação
-Embalagem individual para facilitar a sua distribuição
